

MULTI-STEP STAMPING FLOWER 1:

Begin by stamping 1A Base image flower in a darker

shade. Next use a lighter shade to stamp the 1B stamp highlights. Stamp the center, 1C, in a yellow or green.

MULTI-STEP STAMPING FLOWER 2:

Begin by stamping 2A Base image flower in a darker shade. Next use a lighter shade to stamp the 2B stamp highlights. Stamp the center, 2C, in a yellow or green.

MULTI-STEP LEAF 3:

Start with the solid base of the leaf (3A). Stamp the veins (3B) on top.

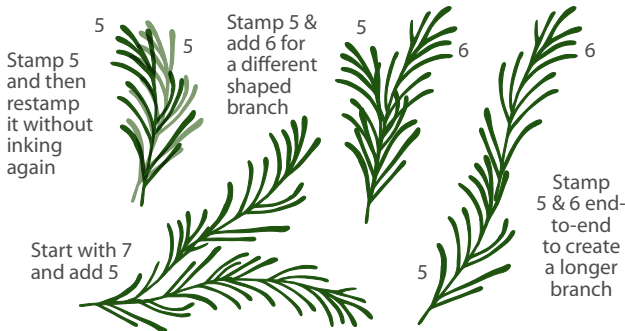

MULTI-STEP LEAF 4:

Start with the solid base of the leaf (4A). Stamp the veins (4B) on top.

FLOURISH HEART:

Stamp 11 & 8 to make a heart.

MULTI-STEP PINE SPRIGS:

Try a variety of ways of stamping the pine sprigs.

PEACE
JOY & LOVE
TO YOU

Masking where images overlap

Use a cluster of pearls or gems for the centers

Using digital download cut files to create a layered bouquet

INTERMEDIATE & ADVANCED TIPS:

Block out a winter bouquet by stamping the base images first. Practice on scrap paper.

Mask off portions where the flower would overlap the leaves. Or cut coordinating shapes with the Digital Download Offset and Exact Cuts. Stamp on the shapes. Then create a layered bouquet by placing double-sided sticky foam tape.
